A Divided Paradise: Narrated by Sarah Gabriele B-G

"No, we're not all trapped like you are. But you are a failure. You are garbage. You are lucky to be given such paradise in America's New Foundation. It's all you ever dreamed of and more. Don't be mad, get glad! Don't be sad, be happy!"

Welcome to Central Meridia, a city on the sea where they sell weapons, a designated "Safe Zone" free from the New Foundations of America. This is the story of a family torn apart by an endless war. Sarah tells the story of when the army men came and took her brother to become a child soldier and then her adventure as she finds her lost sister Molly in the Wasteland. It is a story about destiny. A story that came from the soul in the sky, that began writing itself in pencil, in a little notebook- in 2004.
