Irish Allure Louisa Masters

A book in the Emerald Isle Fantasies series.

Jillian is planning a wedding for the bride from hell—who suddenly decides to move the event to Ireland with less than a month to go. Lucky for Jillian, the groom's brother is available to lend a hand.

Sexy, charming Fin clearly has more on his mind than just helping Jillian with the wedding. But she knows Bridezilla will not tolerate the hired help consorting with her future brother-in-law. Jillian can't risk being blackballed, so it's seriously hands off Fin, no matter how irresistible he is and how energetically he pursues her. If only Castle Tullamore weren't so romantic—and if only she could stop tearing off his clothes every time she gets into that antique elevator with him.

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!

A Romantica® contemporary erotic romance from Ellora's Cave
