Emilio Salgari

Os tigres de Mompracem (Portuguese Edition) Emilio Salgari

"SANDOKAN.

Basta esse nome para fazer tremer comandantes e tripulações dos barcos e navios obrigados a navegar pelos mares de Bornéu. Um príncipe despojado do trono, obrigado a assistir ao extermínio de sua família acaba se transformando no Tigre da Malásia, um dos mais temidos piratas do oriente. Perseguido implacavelmente os navios ingleses, acumula tesouros inimagináveis em sua ilha, Mompracem.

Com seu fiel companheiro, o português Yanes, e seus leais filhotes, Sandokan se lança em aventuras perigosas, combates sanguinários e saques consideráveis, até o momento em que ouve falar de Marianna, a Pérola de Labuan. Perdidamente apaixonado, o Tigre de Mompracem esquece a prudência, o ódio à raça branca, o sentimento de vingança que o movia até então e parte para a conquista da mulher amada, correndo riscos inimagináveis, enfrentando exércitos de homens, animais selvagens e a fúria dos elementos da natureza.

Suas histórias proporcionam ao leitor um reencontro com as aventuras de capa e espada que vêm deleitando gerações de admiradores em vários países."
