## Valkyrie Symptoms: A Valkyrie Rising Short Story Ingrid Paulson

The enticing world of *Valkyrie Rising*, Ingrid Paulson's debut teen novel, is introduced in *Valkyrie Symptoms*, a prequel short story.

This twenty-page original story introduces the characters from the perspective of the ever-flippant, if undeniably alluring, Tucker Halloway. It also includes a teaser to *Valkyrie Rising*, a novel in which deadly legends, hidden identities, and tentative romance swirl together into an unexpectedly epic adventure when seventeen-year-old Ellie travels to Norway with her big brother and Tuck, his best friend, and encounters Valkyries: the legendary women warriors of Norse mythology.

Epic Reads Impulse is a digital imprint with new releases each month.
