A leap across time is easy...if you throw your heart first.

A woman with a secret...

Elsa Sinclair's ability to bring stunning realism to her historical novels is a secret she must never reveal. She does her research first-hand—by traveling back in time.

When she stumbles across the man behind the legendary Phantom of the Opera, she is moved by his strength, his kindness...and the moments when his solitary existence seems unbearable. She can't simply sit by and leave him to his fiery fate.

A man out of time...

Dante Lucerne is shocked to find himself pulled from certain death and carried to another time and continent. The new world is full of wonders, not the least of which is the woman who saved him.

A darkness threatens...

As Elsa helps Dante adjust to his new world, she makes a terrifying discovery—she is falling in love. And it is Dante who must find a way to help her let go of secrets that run deeper than her power. Into the very heart of what they could lose if he fails...

Warning: Contains a fiery heroine, a brilliant hero, and a love passionate enough to span a century.
