Church Wellness: A Best Practices Guide to Nurturing Healthy Congregations Tom Ehrich

A nut and bolts guide to the "seven key factors" that determine a church's health.

All churches, no matter the denomination, are faced with similar challenges: membership development, leadership development, communications strategy, spiritual development, young adult ministry, listening to parishioner needs, and measuring progress. Here, author Tom Ehrich provides a guide for clergy and lay leaders in a way that's clear and useable. Readers are directed to the church wellness website for more in-depth guidance.
