The Arctic winter is cold, snowy, and dark. The barren landscape is covered by a layer of snow that stretches to the horizon, with nothing to disrupt it but jagged rocks. There are only a few plants and no sunlight. And yet, there are animals hardy enough to survive this bleak environment: the arctic wolf, hare, cod, and fox; the snowy owl, polar bear, ringed seal, and Peary caribou, all inextricably linked together in the chain of life. With lyrical text and glowing paintings that capture this mystically beautiful environment with stunning realism, this unusual book fascinates and inspires children of all ages.
