Italian Now!: A Level One Worktext: Level One Workbook Marcel Danesi

Designed for both classroom use and as a text for self-teaching language learners, this book consists of 30 work units, an extensive Italian-English and English-Italian vocabulary list, idioms, and dialogues, all focused to build proficiency in reading, writing, speaking and understanding Italian. Word-completion and multiple-choice exercises, word games, and entertaining stories in dialogue form are supplemented with photos of Italian landmarks, cartoon-style illustrations, and reproductions of Italian classical art that give students something of the flavor of contemporary Italian culture. *Italian Now!* emphasizes practical, functional use of conversational and informal written Italian but also offers solid foundation in Italian grammar, verb forms, and correct sentence structure.
