## **Pocketful of Posies: A Treasury of Nursery Rhymes** Salley Mavor

This hand-picked collection of classic nursery rhymes, all delicately and painstakingly illustrated by Salley Mavor, who is reknown for her incredibly detailed fabric and cloth scenes.

It took Mavor ten years to develop her own fabric relief technique to a level where she felt comfortable even considering illustrating a book. Now, Mavor embroiders and sews illustrations, each scene taking nearly a month to complete. In this book, Mavor renders a new and visionary nursery rhyme world with precision and intricacy for many a generation to treasure for years and years to come.
