Upcountry

Robert Kimber

Upcountry Robert Kimber

Kimber shares his adventures, misadventures, and reflections as a part-time farmer and fetcher of firewood, his struggles with recalcitrant sheep and aging tractors, the joys of roaming the hills with his dog, plunking for pickerel in the lily pads, savoring the echoes of silence in a sleeping Maine village. Like a good apple pie, these essays are a blend of the sweet and the tart, the aromatic and the astringent, seasoned with a dash of wit and self irony, these love letters to life upcountry are as crisp, fresh, and bracing as they are affectionate.

From reader reviews:

Nancy Samuel:

People live in this new day time of lifestyle always try to and must have the time or they will get great deal of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely without a doubt. People is human not just a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, the actual book you have read is Upcountry.

Charles Smith:

Your reading 6th sense will not betray a person, why because this Upcountry reserve written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still hesitation Upcountry as good book not merely by the cover but also by content. This is one publication that can break don't evaluate book by its include, so do you still needing a different sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

Emma Peterson:

Is it an individual who having spare time and then spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Upcountry can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Wilma Hogan:

On this era which is the greater man or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple strategy to have that. What you must do is just spending your time not very much but quite enough to possess a look at some books. Among the books in the top list in your reading list will be Upcountry. This book that is qualified as The Hungry Slopes can get you closer in growing to be precious person. By looking up and review this reserve you can get many advantages.
