American Learnership for Business Process Analysts and Project Managers (Self Management and Professional Performance Book 6) Dr. Rudy Garrity

Business Process Analysts and Project Managers are people who require exceptional skills for dealing with organizational leaders, workforce specialists, and professional associates. Lifelong learning (learnership) provides contemporary insights and best practices that individuals, organizations and communities can use for self management, high performance and an integrated mindful way-of-being.

This is the sixth book in the American Learnership Forum new e-book series on Self Management and Professional Performance and encourages readers to purchase the print book on Amazon.com entitled: “Total Learning, Knowing and Leading as a Mindful Way-of-Being” for a comprehensive and integrated approach for personal and professional development.

Readers are invited to participate in a Free Webinar entitled “What is the Meaning of (YOUR) Life?” which is based on the concept and practices of learnership. To register: www.contactus@alforum.org.
