From Book 1: A teenage witch juggles popularity and romance while keeping her powers a secret in this spellbinding debut.

Almost-sixteen-year-old Brooklyn feels invisible, but she desperately wants to be pretty, to be popular, to be adored by a cute guy. Luckily for her, she's a witch about to come of age—so she's only a few spells away from making it all happen.

On her milestone birthday, Brooklyn's conservative parents finally unbind her powers. This newfound freedom leads to a spell-assisted makeover, entree into the cool clique, and the attention of her longtime crush, Asher. Even better, Brooklyn discovers her true power: the ability to magically match couples with a love spell.

But Brooklyn's quest for popularity is not without its price. As the clique escalates their initiation tests and she relies on her powers to complete the tasks, Brooklyn finds herself in the same precarious position as her Salem ancestors: if she's found out, she could be vilified—and lose Asher in the process. Can she make the most of her magic, or will she be luckless and loveless? Be careful what you witch for!
