Managing Zen (Growth Path) (Italian Edition)

Vittorio Mascherpa

Managing Zen (Growth Path) (Italian Edition) Vittorio Mascherpa

“La ruota gira, ma il perno che consente il movimento rimane immobile.

E così chiunque abbia il compito di coordinare persone, gruppi, strutture o eventi, dovrà sapersi rendere immobile, se vorrà essere il reale perno della ruota e consentirne il movimento.

Dovrà cioè trovare il proprio centro per diventare un centro.

E questa pratica è senz'altro il modo più diretto ed essenziale per scoprire, raggiungere e abitare il proprio centro immobile.”

Un libro che parla di oggettività, autocoscienza e meditazione, ma anche di leadership, sistemi di qualità, motivazione, problem solving e stili di management.

I principi della pratica e della visione zen, e i benefici nella vita privata e professionale illustrati in modo semplice e diretto attraverso un approccio “dall'interno”, scritto da un esperto in formazione umana e manageriale che è anche – da oltre trent'anni – praticante e istruttore di meditazione zen.
