## **In good times and bad, you need to know your OPTIONS**

Market volatility is at a record high, which has investors running scared. You don't have to be one of them. Whether your goal is to protect your money in a downturn or profit handsomely from an upturn, trading options is the answer.

*Options DeMYSTiFieD* reveals why today's smartest investors rely on the versatility of the options marketplace--and how you can, too! With its quick, snappy explanations and easy-to-understand examples, it provides the knowledge you need to start trading options like a pro in no time. Chapterending quizzes and a final exam round out *Options DeMYSTiFieD* into a comprehensive self-teaching guide that allows you to learn at your own pace.

This fast and easy guide has everything you need to:

- Protect your investments from market downturns--even those in your IRA or 401(k)
- Increase income from stocks you already own
- Multiply the leverage you have in the market to max out your profits
- Manage the risk of investing without decreasing profit potential
- Engage in more complex trading, such as covered calls, spreads, straddles, and hedges

*Simple enough for a beginner but challenging enough for an advanced trader, **Options DeMYSTiFieD** has what you need to build a solid foundation in options trading.*
