Struthers Revisited (Images of America) Patricia Ringos Beach

What more is there to say about Struthers that was not said in *Images of America: Struthers*, published in 2008? It turns out there is plenty. *Images of America: Struthers Revisited* features the people and places that filled this northeastern Ohio town in the 1900s. Through the growth and decline of the steel industry, the town prospered and adapted. Children grew up, marriages occurred, and people died; however, as anyone affiliated with Struthers knows, they could not be buried in the "city without a cemetery." This collection of images illustrates stories of accomplishment, struggle, and everyday life. Photographs of schools, churches, small grocery stores, businesses, eateries, parks, and playgrounds will transport readers to a time that is both familiar and historical. This walk down memory lane is for all ages. It is for those who reside in Struthers and those who used to live there and love to visit.
