The Sacredness of Questioning Everything David Dark

The freedom to question—asking and being asked—is an indispensable and sacred practice that is absolutely vital to the health of our communities.

According to author David Dark, when religion won't tolerate questions, objections, or differences of opinion, and when it only brings to the table threats of excommunication, violence, and hellfire, it does not allow people to discover for themselves what they truly believe.

The God of the Bible not only encourages questions; the God of the Bible demands them. If that were not so, we wouldn't live in a world of such rich, God-given complexity in which wide-eyed wonder is part and parcel of the human condition. Dark contends that it's OK to question life, the Bible, faith, the media, emotions, language, government—everything. God has nothing to hide. And neither should people of faith.

The Sacredness of Questioning offers a wide-ranging, insightful, and often entertaining discussion that draws on a variety of sources, including religious texts and popular culture. It is a book that readers will likely cherish—and recommend—for years to come.

From reader reviews:

Heather Snyder:

The reason? Because this The Sacredness of Questioning Everything is an unordinary book that the inside of the guide waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your ability and your critical thinking approach. So , still want to delay having that book? If I were being you I will go to the book store hurriedly.

Robert Hatch:

This The Sacredness of Questioning Everything is great reserve for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. That book reveal it data accurately using great organize word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having The Sacredness of Questioning Everything in your hand like having the world in your arm, data in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen small right but this guide already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt that?

Stella Carpenter:

You could spend your free time to learn this book this guide. This The Sacredness of Questioning Everything is simple bringing you can read it in the park, in the beach, train and soon. If you did not possess much space to bring often the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Chris Moore:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Sacredness of Questioning Everything can make you experience more interested to read.
