The Visible and Invisible Group (MARE) Yvonne M. Agazarian, Richard Peters

Understanding the psychodynamics of groups has derived from the two separate strands of theory and practice, resulting in two separate disciplines: group psychotherapy and group dynamics. Present-day group psychotherapy derives mainly from psychoanalytic theory and Bion's early experiences with wartime groups, and has been developed from the work of clinicians who practice group psychotherapy as a form of treatment. Group dynamics theory and practice, on the other hand, have arisen largely from the work of social scientists like Kurt Lewin, have been researched in the field and in the laboratory, and have been applied to groups as arenas for leadership training and behavioral change. The Visible and Invisible Group synthesizes these psychoanalytic and group approaches to group life and offers practical guidelines to the group psychotherapist. The authors advocate the simultaneous use of two perspectives: the psychoanalytic perspective for observing the "visible" group of people and their interactions, and a General Systems "Field Theory" perspective for observing the "invisible" group-as-a-whole. They also suggest changes in leadership style appropriate to different types of theory groups, different populations and different group events. This volume is based on more than ten years of experience by the authors as co-therapists. The theoretical explanations and practical advice that they offer on problems specific to group therapy will be valuable to group therapists in psychiatry, psychology, social work and industry.

From reader reviews:

Winston Craig:

Precisely why? Because this The Visible and Invisible Group (MARE) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

Deborah Lake:

Can you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you just dont know the inside because don't judge book by its protect may doesn't work here is difficult job because you are frightened that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer could be The Visible and Invisible Group (MARE) why because the great cover that make you consider about the content will not disappoint you actually. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

Jacob Roberts:

What is your hobby? Have you heard this question when you got students? We believe that that question was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person such as reading or as studying become their hobby. You have to know that reading is very important and book as to be the factor. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You see good news or update about something by book. Numerous books that can you decide to try be your object. One of them is actually The Visible and Invisible Group (MARE).

Myrtle McDonald:

Many people said that they feel bored stiff when they reading a publication. They are directly felt that when they get a half parts of the book. You can choose the book The Visible and Invisible Group (MARE) to make your reading is interesting. Your skill of reading proficiency is developing when you including reading. Try to choose simple book to make you enjoy to study it and mingle the feeling about book and looking at especially. It is to be initially opinion for you to like to start a book and examine it. Beside that the book The Visible and Invisible Group (MARE) can to be a newly purchased friend when you're sense alone and confuse with what must you're doing of that time.
