You're the Ref: 174 Scenarios to Test Your Football Knowledge Wayne Stewart

When you watch football games, do you feel as if you know as much—maybe more—than the actual refs? Here's your chance to prove it, with Wayne Stewart's *You're the Ref*.

You're the Ref, first published in 2011 and now newly revised, is divided into five exciting sections covering all three phases of the game—offense, defense, and special teams. From basic holding and pass interference calls to more complicated rules such as roughing the kicker, illegal touching and those governing fumbles, it examines just about every scenario that could unfold on a football field.

Most of the situations in this book come from real games—many that diehard fans will be sure to remember—so don your zebra stripes, grab your whistle, and take your position in the offensive backfield. After all, you're the ref!

Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team.

Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
