Is true love an endangered species?

When city lawyer Grant McMurtie is forced to return to his coastal hometown, he discovers that conservationists plan to carve up the family farm! He furiously confronts the woman in charge—seal researcher Kate Dickson.

Used to half-truths after years of making empty city deals, he finds Kate's passion for her precious seals mystifying, but slowly begins to trust this courageous, determined woman. For the first time, Grant's heart is touched and he wants to make a wholly personal contract. Will cautious Kate agree to his final clause—to be together forever?
