Black panther-shifter Onyx Grosvenor is a man without a past. When he meets Ivory Starr, he hopes he can have a future, perhaps build one at the fox's side. But such a thing is easier said than done. Without a sense of his true identity, Onyx doesn't feel he can be the man Ivory deserves. Arctic fox Ivory has been attracted to Onyx ever since the fateful night he met the panther. It is an ongoing struggle not to pursue their chemistry and, instead, be the friend Onyx needs. But both Ivory and Onyx have demons just waiting to attack. When those dark secrets make a comeback, the sexual tension between the two explodes into a bond that surprises them, and everyone else. Will that connection be enough to keep two people as different as night and day together, or will Ivory and Onyx be parted by circumstances beyond their control? ** A Siren Erotic Romance
