## **Presidencia comprada (Spanish Edition)** Jesús Ramírez Cuevas

En este trabajo se exponen, de manera sucinta, los hechos, pruebas y argumentos que han llevado a cuestionar esta elección.

Con datos y testimonios, el autor expone temas como el papel de las encuestadoras y la inequidad en los medios de comunicación; el rebase de los topes de gastos de la avasalladora campaña publicitaria del PRI; la triangulación de fondos mediante empresas "fantasma" vía Banca Monex; la compra y coacción de votos en zonas pobres del campo y de la ciudad, a través de despensas y tarjetas de la tienda Soriana pagadas con dinero público; el papel de Televisa en apoyo al candidato ganador Enrique Peña Nieto y los beneficios económicos y políticos que ha obtenido.

En ese contexto, el autor afirma que no es exagerado decir que en los pasados comicios la Presidencia de México fue comprada.
