Spell Castings is an eclectic grimoire of magickal ways.

Have you ever lit a pink candle on a Friday night and thought about the love you would like to have in your life? Maybe even closed your eyes and pictured that perfect person?

Have you ever walked into a room and knew you were not alone and said a prayer for protection?

Have you ever looked at a telephone, wished it would ring, and it did?

If you have had these or similar experiences, you have put the cosmic forces of the universe to work without even realizing it. Imagine what would happen if you decided to consciously focus your energy, willing these things to happen. Would they?

Spell Castings is a book of more than one hundred easy-to-use, practical spells to help you achieve and accomplish your dreams. Every subject is covered, from cleansing the soul to the limitless boundaries of love and death. Spell Castings can be performed by the experienced Witch or Warlock, but are easy enough for the novice. Specific procedures—including the use of various supplies needed to cast the spells—are completely explained. Also included are charts to guide you through the correct moon phases, magickal days and hours.

Spell Castings is divided into color-coded chapters to help you determine which spell you desire to cast. For example, if you were looking for a spell to become more psychic or to help you perform more intuitive readings, you would look under the purple chapter. If you were seeking a money spell or better employment spell, you would look under the green chapter. The color-coded index will lead you to the areas you are most interested in casting.

When you stir the magick—as only a Witch can—the options are limitless and the effects can be life changing. All the spells within this book are written with the intent to harm none, so brew as often as you and your cauldron desire.
