Zeina

Nawal El Saadawi

Zeina Nawal El Saadawi

Bodour, a distinguished literary critic, carries with her a dark secret. As a young university student, she fell in love with a political activist and gave birth to an illegitimate daughter, Zeina, whom she abandoned on the streets of Cairo. Zeina grows up to become one of Egypt's most beloved entertainers, despite being deprived of a family name and a home. Bodour in turn remains trapped in a loveless marriage, pining for her daughter and lost love. In an attempt to find solace, she writes a fictionalised account of her life, which then mysteriously gets stolen. Set against the backdrop of revolution in Cairo, Zeina is a tale about regret, loss and the courage it takes for a mother to face up to the mistakes of her past. 'Read this novel to grasp the bravery of El Saadawi's activism in Egypt or to learn more about her country than we saw on our TV screens this spring...' Guardian 'An uncompromising attack on patriarchy, power and hypocrisy in modern-day Egypt' The Times 'More than any other woman, El Saadawi has come to embody the trials of Arab feminism.' San Francisco Chronicle 'Nawal El Saadawi is a formidable force in the international world of literature.' Philip Womack, New Humanist 'El Saadawi writes with directness and passion.' New York Times 'A poignant and brave writer' Marie Claire

From reader reviews:

Stevie Mozingo:

What do you in relation to book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this Zeina to read.

Marc Starr:

In this 21st century, people become competitive in most way. By being competitive now, people have do something to make them survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the idea for a while is reading. That's why, by reading a publication your ability to survive boost then having chance to remain than other is high. To suit your needs who want to start reading some sort of book, we give you that Zeina book as beginning and daily reading guide. Why, because this book is greater than just a book.

Vicky Penn:

The reason? Because this Zeina is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

Eric Kinlaw:

Do you have something that you prefer such as book? The book lovers usually prefer to opt for book like comic, limited story and the biggest one is novel. Now, why not hoping Zeina that give your enjoyment preference will be satisfied through reading this book. Reading practice all over the world can be said as the method for people to know world far better then how they react towards the world. It can't be mentioned constantly that reading behavior only for the geeky individual but for all of you who wants to be success person. So , for every you who want to start reading as your good habit, you could pick Zeina become your own starter.
