Called Up Jen Doyle

Jen Doyle delivers a home run of heart, heat and plenty of laughter in this contemporary romance, perfect for fans of Jill Shalvis's Pacific Heat series There's one thing Max "Deke" Deacon can always count on besides his old high school teammates: Angelica "Fitz" Hawkins. But no matter how much Deke might secretly fantasize otherwise, a relationship with his best friend's sister is off limits. Until one unexpectedly smoldering encounter has Deke and Fitz giving in to the feelings they've both been fighting for far too long. Fitz knows for a fact that it is *not* better to have loved and lost. After losing her parents, she'd rather lock up her heart and throw away the key than endure that kind of pain again. If that means giving up any hope of a lasting relationship, then so be it. But with Deke, Fitz feels dangerously close to falling in love. She can't risk another broken heart—especially if it means losing one of her best friends for good. Now it's up to Deke to convince her that the safest place she could ever be is right here with him. *This book is approximately 100,000 words*
