Has To Be Love Jolene Perry

Years ago, Clara survived a vicious bear attack. She's used to getting sympathetic looks around town, but meeting strangers is a different story. Yet her dreams go far beyond Knik, Alaska, and now she's got a secret that's both thrilling and terrifying—an acceptance letter from Columbia University. But it turns out her scars aren't as fixable as she hoped, and when her boyfriend begins to press for a forever commitment, she has second thoughts about New York. Then Rhodes, a student teacher in her English class, forces her to acknowledge her writing talent, and everything becomes even more confusing—especially with the feelings she's starting to have about him. Now all Clara wants to do is hide from the tough choices she has to make. When her world comes crashing down around her, Clara has to confront her problems and find her way to a decision. Will she choose the life of her dreams or the life that someone she loves has chosen? Which choice is scarier?
