Integrated Algebra Lawrence S. Leff M.S.

This brand-new addition to Barron's "Redbook" series of Regents manuals prepares New York State high school students for the new Integrated Algebra exam, which will be administered for the first time in June 2008. The book reviews all pertinent math topics, including sets, algebraic language, linear equations and formulas, ratios, rates and proportions, polynomials and factoring, rational expressions and factoring, radicals and right triangles, area and volume, quadratic and exponential functions, and much more. Also included in the book are two sample exams with answers.
