Liminality and the Modern: Living Through the In-Between

Professor Bjørn Thomassen

Liminality and the Modern: Living Through the In-Between Professor Bjørn Thomassen

This book provides the history and genealogy of an increasingly important subject: liminality. Coming to the fore in recent years in social and political theory and extending beyond its original use as developed within anthropology, liminality has come to denote spaces and moments in which the taken-for-granted order of the world ceases to exist and novel forms emerge, often in unpredictable ways.

Liminality and the Modern offers a comprehensive introduction to this concept, discussing its development and laying out a conceptual and experiential framework for thinking about change in terms of liminality. Applying this framework to questions surrounding the implosion of 'non-spaces', the analysis of major historical periods and the study of political revolution, the book also explores its possible uses in social science research and its implications for our understanding of the uncertainty and contingency of the liquid structures of modern society.

Shedding new light on a concept central to social thought, as well as its capacity for pushing social and political theory in new directions, this book will be of interest to scholars across the social sciences and philosophy working in fields such as social, political and anthropological theory, cultural studies, social and cultural geography, and historical anthropology and sociology.

From reader reviews:

Seth Sawyer:

In this 21st one hundred year, people become competitive in each way. By being competitive at this point, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that often many people have underestimated that for a while is reading. Yep, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you personally who want to start reading a book, we give you this specific Liminality and the Modern: Living Through the In-Between book as beginning and daily reading reserve. Why, because this book is greater than just a book.

Rose Sosa:

People live in this new morning of lifestyle always try to and must have the free time or they will get lot of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading guides. It can be your alternative in spending your spare time, the book you have read is actually Liminality and the Modern: Living Through the In-Between.

Samual Larkin:

This Liminality and the Modern: Living Through the In-Between is great book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can say no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having Liminality and the Modern: Living Through the In-Between in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world in ten or fifteen minute right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Samantha Graham:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Liminality and the Modern: Living Through the In-Between can

make you experience more interested to read.
