No Argument for God: Going Beyond Reason in Conversations About Faith

John Wilkinson

No Argument for God: Going Beyond Reason in Conversations About Faith John Wilkinson
Religion is irrational! New atheists trumpet the claim loudly, so much so that it's become a sort of conventional wisdom. Professing your faith in God sounds increasingly like a confession of intellectual feebleness. Belief in God sounds as cute and quaint as it does pointless.

John Wilkinson contends that the irrationality of faith is its greatest asset, because rationalism itself sets artificial limits on all that we've seen--which itself is hinting at something greater that can't be seen. In *No Argument for God* he turns the tables on the cult of reason, showing that it limits conversation to what happened, when what we really want is the why behind it. We settle for investigation when what we need is revelation--the answer to all our longings.

Read this book and break through the gridlock of apologetic arguments to a life-giving encounter with the God who satisfies our minds and seeks our good.

So , for every you who want to start looking at as your good habit, you could pick No Argument for God: Going Beyond Reason in Conversations About Faith become your starter.

Floyd Alling:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't determine book by its include may doesn't work here is difficult job because you are scared that the inside maybe not since fantastic as in the outside look likes. Maybe you answer might be No Argument for God: Going Beyond Reason in Conversations About Faith why because the amazing cover that make you consider concerning the content will not disappoint an individual. The inside or content will be fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Mary Brunner:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this No Argument for God: Going Beyond Reason in Conversations About Faith can make you experience more interested to read.
