Reporter Hannah O'Reilly will do anything for a story—including gate-crashing Jack's estate on a stormy New Year's Eve. But she soon discovers he's more than champagne and caviar. And being stranded, she's got the chance to savor all his other delights—like his warm hands...and hot body.

Hannah's penchant for leaping before she looks just might have worked. If she can get the real story out of this sexy mystery man it will be the scoop of the century.

But as the snow piles up higher and Jack starts making his moves...who's scooping whom?
