Sons and Lovers [with Biographical Introduction] D. H. Lawrence

First published in 1913, this provocative semi-autobiographical novel reflects the struggles of Paul Morel, an artist who cannot reciprocate love for other women while under the influence of his stifling mother.

Unconsciously taught to despise his father and eschew other women, Paul comes even further under his mother's psychological grasp after the death of his older brother. When he eventually does fall in love, the results of confused affection and desire are painful for all concerned. While "Sons and Lovers" scandalized its original English readers for its oedipal implications and social criticism, it remains a powerful story of terrifying inner and outer conflict and intense sensuality.
