Strategies for Today's Small Game Generation

Whether it's waiting out a fox squirrel in a northeastern Ohio hickory grove, calling from a midnight stand for red fox, or anticipating the whirlwind flush of a ruffled grouse, nothing challenges the hunter nor hones the skills quite like the pursuit of North America's small game species.

In his latest book, *Successful Small Game Hunting*, M.D. Johnson helps rekindle the flame that sparked the desire to hunt. With new twists on age-old outdoor ideas and just enough nostalgia to remind you that small game hunting is "where it all began," Johnson revisits the species and the techniques that have helped make small game hunting the grand pastime that it is.

Wonderfully illustrated with outstanding images by award-winning photographer, Julia Johnson, *Successful Small Game Hunting* follows in the footsteps of Johnson's other titles - *Successful Duck Hunting* and *Successful Turkey Hunting* - by putting you right into the middle of the action with some of the finest small game hunters and trappers in the nation.

Recapture the thrill of your first hunt as M.D. Johnson and friends guide you through the woodlots and uplands, the marshes and the fields in search of small game.
