While volunteering as a model in a charity fashion show, Abbey becomes entranced by a certain member of the audience. She's never seen such a handsome man before. His name is Nikolai Arlov, and the Russian magnate is famous for his philandering ways. After the show, she finds an invitation from him waiting for her. Abbey, however, refuses to move on from her late fiancé, who died just before he could make it to the altar. But Nikolai wants her, and according to him, everyone has a price...though it's not always monetary. Can Abbey resist the charms of this forceful man who, up until now, has always gotten what he wants?
