Still, why is she confiding so much in her handsome co-worker, Eddison? And why is she wondering what would happen if she put her marriage to the ultimate test—secretly setting Rashad up with a younger woman to see if he's tempted?...

When Kiara decides to test Rashad for real, her world turns upside down. Not only does he take the bait—it turns out he's had a mistress on the side for years. Now, betrayed and furious, Kiara will take all the sizzling erotic satisfaction Eddison can give—and forever flip the script on Rashad's infidelity.
