**Waterland (Vintage International)** Graham Swift

Set in the bleak Fen Country of East Anglia, and spanning some 240 years in the lives of its haunted narrator and his ancestors, **Waterland** is a book that takes in eels and incest, ale-making and madness, the heartless sweep of history and a family romance as tormented as any in Greek tragedy.

"**Waterland**, like the Hardy novels, carries with all else a profound knowledge of a people, a place, and their interweaving.... Swift tells his tale with wonderful contemporary verve and verbal felicity.... A fine and original work."--*Los Angeles Times*
