The Apple iPad is one of today's most popular technology/media tools--a revolutionary device, lightweight and portable, that offers a fun, unique way to tap into the riches of the online world and stay connected, informed, and entertained. Many older adults have embraced the iPad as a welcome alternative to the complexities of the typical desktop or laptop computer and are using it for everything from reading magazines and enjoying the latest movies to taking control of their photo and music collections, managing their finances, and staying in touch with friends and family. Whether you're already an iPad owner or are considering taking the plunge, IPAD FOR BOOMERS is your best source for mastering the device and exploring its many possibilities. You'll learn everything you need to know about buying and using the iPad, including:

- o Setting up, configuring, and connecting your iPad.
- o Finding, acquiring, and using iPad Apps, the programs that run on the iPad.
- o Accessing the Web, email, and your favorite social networking sites on the iPad.
- o Making video calls, reading books, watching movies, and even getting fit with your iPad.

With so much to offer, from the practical to the purely entertaining, the Apple iPad is a great companion for today's older adult. Let IPAD FOR BOOMERS show you how to get the most out of your iPad.
