James Joyce

James Joyce The Dover Reader (Dover Thrift Editions) James Joyce

"A comprehensive, accessible introduction to Joyce's work and provides the reader glimpses into some of the lesser read corners of his bibliography." — The Lexicon Devil

Influential and innovative, James Joyce (1882–1941) led the vanguard of 20th-century fiction. Sooner or later, most undergraduates encounter him, and many scholars devote their entire careers to his exuberantly eloquent prose. Joyce's experimental use of language and stream-of-consciousness techniques continues to captivate modern readers and writers, and this anthology offers a first-rate introduction to the Irish author's fiction and poetry.

A Portrait of the Artist as a Young Man, Joyce's coming-of-age novel, appears here in its entirety. Readers will also find the complete texts of the short story collection *Dubliners*, and the play *Exiles*. Additional contents include highlights from *Ulysses*, universally acknowledged as among the English language's most challenging and rewarding novels, and *Chamber Music*, an early book of poems.
