**The Secret World of Johnny Depp: The Intimate Biography of Hollywood's Best Loved Rebel** Nigel Goodall

Not only is Johnny Depp a huge star, but his unconventional choice of movie roles has made him a fascinating and mysterious character, endearing himself to audiences as diverse as the roles he plays. With appearances in both children's and adult films such as *Charlie and the Chocolate Factory* and *Ed Wood*, Depp has a mass market cross-generational appeal. Tracing his career from his debut in *Nightmare on Elm Street* in 1984 through to his flamboyant turn as the voice of Victor Van Dort in *Corpse Bride* and the spectacular success of the *Pirates of the Caribbean* franchise, this biography shows how Depp has successfully carved a niche for himself as a serious, somewhat dark, idiosyncratic performer, consistently selecting roles that surprised critics and audiences alike. Other aspects of the charismatic actor's life charted include failed engagements to Jennifer Grey, Winona Ryder, and Kate Moss; his current relationship with French singer-actress Vanessa Paradis, with whom he has two children; and his early wild parallel career as a rock musician.
