**Between Freedom and Bondage: Race, Party, and Voting Rights in the Antebellum North** Christopher Malone

*Between Freedom and Bondage* looks at the fluctuations of black suffrage in the ante-bellum North, using the four states of New York, Pennsylvania, Massachusetts and Rhode Island as examples. In each of these states, a different outcome was obtained for blacks in their quest to share the vote. By analyzing the various outcomes of state struggles, Malone offers a framework for understanding and explaining how the issue of voting rights for blacks unfolded between the drafting of the Constitution, and the end of the Civil War.
