Business Republic of China: Tales from the Front Line of China's New Revolution Jack Leblanc

Jack Leblanc shares the lessons he has learnt in 20 years of doing business in China. His career has included stints as a salesman, dotcom entrepreneur, venture capital broker, business consultant, and finally cross-cultural troubleshooter, solving problems between foreign investors and their Chinese counterparts. Each chapter is written in story form and covers a situation that investors are likely to face: for instance, disputes over intellectual property, staffing, or localized corruption. Practical and entertaining.
