Mark Twain and Youth: Studies in His Life and Writings

Mark Twain and Youth: Studies in His Life and Writings

One of the greatest American authors, Mark Twain holds a special position not only as a distinctly American cultural icon but also as a preeminent portrayer of youth. His famous writings about children and youthful themes are central to both his work and his popularity.

The distinguished contributors to *Mark Twain and Youth* make Twain even more accessible to modern readers by fully exploring youth themes in both his life and his extensive writings. The volume's twenty-six original essays offer new perspectives on such important subjects as Twain's boyhood; his relationships with his siblings and his own children; his attitudes toward aging, gender roles, and slavery; the marketing, reception, teaching, and adaptation of his works; and youth themes in his individual novels--*Adventures of Huckleberry Finn*, *The Adventures of Tom Sawyer*, *The Prince and the Pauper*, *Pudd'nhead Wilson*, and *Joan of Arc*. The book also includes a revealing foreword by actor Hal Holbrook, who has performed longer as "Mark Twain" than Samuel Clemens himself did.
