Movement Disorders, Third Edition Ray L. Watts, David G. Standaert, José Obeso

Praise for the First Edition:--"This instructive text will serve as a reference for specialists in the care of patients with these disorders and for general neurologists and others to whom a patient with Stiff-Person syndrome or Wilson's disease is a rarity. The emphasis on the neuroscientific basis for the disorders presented and their study and treatment will also make the book academically useful....This excellent and timely book will provide a valuable resource for those involved in the academic and clinical aspects of movement disorders. **5 STARS!**"--*Doody's Review Service*
