"You should dress everyday as if you may run into the love of your life that broke your heart." We are everyday women that wanted an everyday solution to the mess we called our closets. We quickly realized that 99.95678% of women cannot identify with the high fashion stylists of the world. While fabulous, we can't spend \$900 per designer sock you know? Reality sunk in and we wanted to inspire the everyday woman to get off the couch, dust off her cheese puff stained sweatpants and make some changes to her wardrobe (and her life...shhh...) Women, we get it...life is hard. You have stress coming at you from every angle; don't let one of those stresses be your appearance. We have developed "Five Weeks to Fabulous" - it's a five week no-fail plan to take your appearance from drab to fab.
