Smitten Image Pam B. Morris

In high-speed, high-tech New Chicago, 2039, magic has gone viral. Lily Barnett, a brilliant but drifty artist wanders into a strange magic shop where she impulsively guzzles a love potion. Erratic and unpredictable powers awake inside her. Her houseplants turn ravenous and strings of flamingo lights spout poetry. When she paints a portrait of her perfect man, he steps free of the canvas and stalks her. Desperate, she turns to her best friend, Daniel, for help.

But Daniel has problems of his own. He's a telepath who must shield thoughts, emotions, and desires or go mad. He wants Lily, desperately, but knows his passion will drive her away and that his friendship is of more value to her than his love.

As Lily negotiates the catastrophic blends of her fear, imagination, and chaotic magic, Daniel must fight against his own impenetrable reserve and the psychic gifts he's always despised.

Magic and love might save them, but can they survive each other?

This is a new release of a previously published edition.

Billy Shaner:

Your reading 6th sense will not betray you actually, why because this Smitten Image guide written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your hunger then you still hesitation Smitten Image as good book but not only by the cover but also through the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your examining sixth sense already told you so why you have to listening to a different sixth sense.

Brandon Gentry:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Smitten Image can make you feel more interested to read.
