Fall under the spell of three otherworldly tales of ancient myth and mystery.

THE FOREVER KING by New York Times Bestselling Authors Warren Murphy and Molly Cochran

When ten-year-old Arthur Blessing finds a strange antique cup, he has no idea it's the most sought after object in history. Nor does he realize the discovery of the Holy Grail will take him on a journey that defies the rules of space and time. As the cup's fate-appointed guardian, Arthur must protect it from dark magic and a madman determined to harness the Grail's legendary power. The mission threatens his very life, with assassins aligned against him at every turn.

DRAGON'S EYE by James A. Hetley

The island township of Stonefort, Maine is home to the Morgans, one-time pirates and now shadowy criminals who live by two cardinal rules—protect the family and never foul your own nest. Kate Rowley, part-time town constable and odd-job specialist, is a high-school dropout who solves problems with her muscles and her fists. And Alice Haskell, EMT and emergency room nurse, doubles as the latest Haskell Witch, a Naskeag shaman with power over both whites and First People through her ties with the spirits of Stonefort's land and water. Now an outside power threatens the ancient balance—white and Indian alike, law and lawbreaker alike.

THE SUMMER COUNTRY by James A. Hetley

Maureen Pierce works the night shift in a convenience store, carries a .38 Smith & Wesson in her pocket, and talks to trees. She knows enough clinical psychology to think that when the trees answer, it proves she's crazy. She can live with that, until the truth reaches out to her on her way home one cold February night: She isn't truly human. Now her blood heritage drags her from Maine into ancient myth three steps away from the modern world. Camelot is dead. Arthur is dead. Law is dead. Maureen can become either a slave or a mighty witch, but her own dark past may be her worst enemy.
