The Museum Susan Verde

As a little girl tours and twirls through the halls of the art museum, she finds herself on an exciting adventure. Each piece of art evokes something new inside of her: silliness, curiosity, joy, and ultimately inspiration. When confronted with an empty white canvas, she is energized to create and express herself - which is the greatest feeling of all. With exuberant illustrations by Peter H. Reynolds, *The Museum* playfully captures the many emotions experienced through the power of art, and each child's unique creative process.
